**I would like to invite all SCV-MC members to an event at Granite Mountain Harley Davidson in Conyers, GA, Memorial Day weekend, Saturday, May 29, 2010. This event features Georgia's JACE n LEE Band, is sponsored by Harley Davidson, lawbike.com, steelhorselaw.com, will be a benefit for breast cancer and be filmed and covered worldwide. As the bass guitarist in the JACE n LEE band and a member SCV-MC, I would like to see as many SCV-MC colors there as possible. "Colors" will be the focus of the video for the new JACE n LEE song, "These Colors". I need to know the correct way to go about getting this information to my Brothers if it is acceptable with you, Sir.**
